

FLEA MARKET, ANTIQUES & CRAFTS

- 1.) **The Festival Committee has again reviewed the issue regarding knives, weapons, or anything that LOOKS like a weapon. Our position remains unchanged. The sale of knives, fireworks, martial arts or other weapons plus any drug related paraphernalia is STRICTLY PROHIBITED. As a general rule - if it looks like a gun, knife, sword, etc. (yes, even if it's plastic), PLEASE DO NOT BRING IT TO WOLCOTT ON THE FOURTH! If you bring these items and put them out for display, YOU WILL BE ASKED TO REMOVE THESE ITEMS. We apologize for any inconvenience this creates but we respectfully request that you abide by this rule. And honestly, you'd be doing me a favor if you don't try to "test the limits." We want this to be a good day for our community and a profitable day for you; this is best achieved if we all work together. Please also avoid selling items that could be considered copyright infringements.**

- 2.) **Please leave your pets at home. With all the activity on the Fourth plus fireworks in the evening, it is our position that the Festival grounds are not the place for your pet. We look forward to seeing you, but your pets must stay elsewhere.**
